SUBJECT TO THE APPROVAL OF THE NEW
MEXICO STATE RACING COMMISSION

EVERY EFFORT IS MADE TO PRESENT A TRUE AND CORRECT
STAKES AND CONDITION BOOK.

. HOWEVER, SUNLAND PARK RACETRACK AND CASINO IS NOT
RESPONSIBLE FOR ERRORS IN THIS PUBLICATION.

GENERAL RULES AND REGULATIONS

Prior to entry, the owner of a horse is required to have on deposit with the Horsemen's Bookkeeper sufficient funds to cover the expense of starting that horse. No horse will be allowed to start unless this requirement is met. The owners are also requested to furnish the Horsemen's Bookkeeper with their Social Security number.

Any horse which is in a race or on the also-eligible list may not be sold or transferred until that obligation is completed, except with permission of the Board of Stewards.

Trainers are advised that horses which are claimed and are back in on another race day may be required to fulfill that engagement despite the change of ownership. A horse's engagements follow the horse.

No dogs will be permitted in the Stable Area or on the grounds.

Allowing unlicensed personnel in the barn area will result in a fine. Trainers must have no unlicensed help in the barn area at any time.

It shall be the trainer's responsibility to see that the win records are properly attached to each foal certificate. The Racing Secretary may refuse entry to any horse whose win record is missing until such time as proper determination of eligibility is made.

Trainers placing horses in stalls other than those specifically assigned to them will be subject to a fine and removal of excess horses.

Sunland Park Racetrack shall have the right to declare off any advertised stake or feature race which fails to satisfactorily fill. In such cases, all fees paid will be promptly refunded.

The Stewards, Track Veterinarian or Racing Secretary shall have the right to bar from racing, or exclude from the grounds, any horse which they deem unsafe or incapable of a respectable performance.

The Racing Secretary shall have the right to choose from each day's entries the races which allow him to present the best card to the public.

While the Racing Secretary shall have provided every facility for the checking of eligibility and weights, owners and trainers are reminded that the responsibility in these matters lies strictly with them.

Sunland Park Racetrack will provide colors for all owners who wish to use them. Should any owner wish to use stable colors, they must be registered with the Racing Secretary prior to their use. No colors will be used which do not appear on the official program.

Horsemen are reminded that the final entry payment for trials must be on deposit with the Horsemen's Bookkeeper, or made at time of entry, in order for eligible horse(s) to be

included in the draw for the post positions.

For the safety of all, children are not permitted to ride pony horses at any time while in the stable area.

Trainers are responsible for their guests.

The track outriders are on duty every morning and are there for the protection of everyone. Their instructions are to be followed. Foul or abusive language towards the outriders will result in a fine and/or removal of horses from grounds. No additions or improvements to the stalls or premises shall be made without prior written approval of Sunland Park Racetrack.

Restrooms have been constructed in the barn area. Persons damaging or abusing these facilities will be subject to ejection and/or fine.

RACING SECRETARY'S OFFICE

SPECIAL RULES AND REGULATIONS

All foal certificates must be deposited with the Racing Secretary within seven (7) days after arrival. Foal certificates will not be accepted during entry hours, nor will transfers, bills of sale, etc., be done until after the draw.

Non-tattooed foal certificates will not be accepted; trainers are advised to contact the tattooers for dates and times for tattooing.

The purchase, claim or transfer of any horse stabled on the grounds whether by private sale or public auction does not guarantee the new owner a stall for such horse. Sunland Park Racetrack reserves the right to allot stalls.

All horses must be completely qualified in all respects before being entered in any race. Non-compliance will result in horse(s) being denied entry and trainer subject to a fine.

All parking will be in designated areas ONLY during training hours. There will be no driving through the barn area during morning workouts.

WORKOUT AND QUALIFYING RULES

ALL WORKOUTS MUST BE TURNED IN TO THE CLOCKERS

A non-starter must have had within sixty (60) days of entry at least two (2)* workouts recorded by an official clocker and posted with the Racing Secretary prior to entry. A non-starter is a horse which has not started a race at a recognized track.

*One workout must be from Starting Gate and must be gate approved."

STARTERS

Any horse which has started, but not within sixty (60) days, must have at least one (1) workout within sixty (60) days prior to entry. Horses that have not started within six (6) months of scheduled race date must have at least two (2) approved workouts within the sixty (60) days prior to entry.

870 & 1,000 YARD RACES

Quarter Horses and Thoroughbred entering in 870 & 1,000 yard races that have never run in a race around the turn, must have one (1) official workout of 660 yards or better before entry.

ENTRY SCHEDULE

<u>Entry Day</u>	<u>Race Day</u>
Friday	Tuesday/Wednesday
Saturday	Friday
Monday	Saturday
Tuesday	Sunday

* - Note: Check Condition Books for Holiday Entry Schedules; Also the Racing Office is normally closed on Wednesdays & Thursdays.

PREFERENCE DATE SYSTEM

Winners are preferred in all winners races.

Preference dates will not supersede the conditions of the race (Derby eligibles preferred, high weights preferred, etc.) Horses will not be eligible to receive a date until the foal certificate is on file in the Racing Secretary's office, and will receive the date of filing. All papers received before the first day of entries will receive the same entry date.

Entry dates will have preference over a running date of the same date.

Any horse which is scratched shall lose its date and must re-enter to establish a new date. (An exception may be made when in the opinion of the Stewards a horse would be unduly penalized).

All horses placed on the Stewards, Veterinarians, Starters, Paddock or Identifiers lists will be posted on the official bulletin board and will not lose their date, but they must meet the necessary requirements for removal from a list. The Racing Secretary or Board of Stewards reserves the right to withdraw or scratch any horse, which in their opinion, will not qualify for the race in which it has been entered.

Foal certificates removed from the Racing Office by the trainer for any reason will automatically cause the horse to lose its date. When horses that leave return to Sunland Park, they will receive a new entry date which will correspond to the date of re-filing.

Foal certificates sent off for correction, change of ownership, breeders' stamp, etc., by the Racing Office will not constitute removal from the office and the date will not be lost.

Trainers which enter two horses in the same race must prefer the horse that has the best chance of drawing into the race.

In no way does the claiming, change of ownership or change of trainer affect the preference date of the horse involved.

SCREENING RULES:-

- 1. Only two year olds (foals of 2006) that are registered New Mexico Bred or are nominated to a race at Sunland Park will be allowed to occupy stall space.**
- 2. No maiden quarter horses older than four years old. No maiden thoroughbreds older than five years old.**
- 3. Any horse placed on the poor performance list twice during the meet will be ineligible to start and must be removed from the grounds.**
- 4. Any horse that has started for \$4,000 claiming or less, must have finished 1st, 2nd, 3rd, or 4th for \$4,000 or higher since last starting for \$4,000 claiming or less in 2006-2007.**
- 5. Maidens that have started for \$6,250 or less must have finished 1st, 2nd, 3rd, or 4th for \$6,250 or higher since last starting for \$6,250 claiming or less in 2006-2007.**
- 5. Minimum claiming price is \$5,000.**

CLAIMING RULE

A claimed horse shall not race elsewhere, except within the state, or out of state stakes races for a period of thirty (30) days or the end of the meet, what ever occurs first.

If a horse is claimed, it shall not be sold or transferred, wholly or in part, except in a selling or claiming race for a period of thirty (30) days from the date of the claim, nor shall it, unless reclaimed, remain in the same stable under the control or management of its former owner or trainer for a like period.

SPECIAL NOTICES

The Jockey shall be required to report to a designated Outrider (fast official) on the backstretch immediately following the running of a race. The Outrider shall be in constant communication with the Stewards following each race and shall immediately notify the Stewards of any claim of foul by a Jockey. An Owner or Trainer may advise the Clerk of Scales whom will notify the Stewards that a discussion with their Jockey is needed before a decision concerning a claim of foul is made, in which case the Stewards shall take no official action until a reasonable opportunity for such discussion and responsibility to be aware of the means available for timely communication with the Stewards following the race.

RACE FIELDS

The distances and amounts of horses permitted in the field are as follows:

DISTANCE	OVERNIGHT	STAKES

SCRATCH RULE

In all overnight races and overnight stake races that are restricted to fewer than twelve(12) starters, up to two also eligible horses(excluding coupled entries) will be drawn in order of preference as the final two post positions. No horse may be scratched from an overnight race without approval of the stewards. **Scratch time is 8:00 a.m. the day before the race, except for Friday and Holiday Cards, unless otherwise announced.**

No horse entered in an overnight event will be excused from racing unless upon the Veterinarian's certificate of unfitness, or other cause acceptable to the stewards. Horses in stakes or handicaps (including trials) must scratch no later than 45 minutes prior to post time of the race.

Procedures for Scratching Horses not stabled on the grounds: Verification in writing from a veterinarian that he/she has treated or attended to the horse will be required before the horse will be scratched. The horse will automatically go on the Track Vet List. To be taken off the Vet List the horse must be re-examined by the attending veterinarian with written recommendation to the Track Veterinarian of when the horse will be able to race. The Track Veterinarian may have additional requirements prior to removal from the Vet List. The horse will remain on the list pending completion of these requirements. Failure to comply may result in a penalty by the Stewards.

IMPORTANT-TRAINERS PLEASE NOTE:

Equipment Rules:

Reins: Beginning May 15, 2008, all horses with a jockey or exercise rider mounted that are racing, parading or warming up prior to racing; or jogging or exercising at any time must be equipped with a type of safety reins approved by the commission. Reins to be approved must originally be designed and constructed to provide a secure secondary attachment to the bit that is secured to a reinforcement material to prevent failure due to the breakage of the rein, or breakage or inadvertent loss of the primary connection to the bit.

Toe Grabs:

Toe grabs with a height greater than four millimeters worn on the front shoes of horses while racing are prohibited.

Coggins:

A negative coggins certificate must be on file with all horse papers prior to the papers being submitted to the racing office.

A horse born, bred and raised in the state of New Mexico must test negative for coggins prior to entering a New Mexico racetrack. If that horse stays in New Mexico its entire lifetime going from one New Mexico racetrack to another New Mexico racetrack, the New Mexico Racing Commission will not require that horse to be tested again. Although, if that horse leaves the state, it will be necessary for the horse to have a current coggins certificate prior to entering a New Mexico racetrack.

All out of state horses must have a current coggins certificate either on file with the racing office or a current coggins certificate must accompany the horse, **no exceptions**. If said horse remains in New Mexico it is not necessary to get another coggins.

If the trainer has not bedded assigned stalls or made arrangements with management to show intent of occupying stalls, the stalls will be reassigned after the first day of racing.

All stalls must be cleaned of all muck and bedding prior to receiving registration papers upon leaving Sunland Park Race-track & Casino.
